

ART COLLECTORS CHOICE AWARDS Names World's Best Contemporary Artists

March 28, 2024. Los Angeles.

Artists from 62 countries competed in the 2024 ART COLLECTORS CHOICE AWARDS where 20 international art collectors were sent online images to score in drawing, painting, sculpture, digital and photography. The 300+ winning works, 1st to 6th Place (and ties) in all 50 categories, will be featured in an upcoming movie and 75 articles.

The six cash prizes go to fine artists in Japan, Germany, South Africa, USA, Trinidad and Tobago, winning in oil, acrylic, graphite, digital and photography.

“Art Collectors Choice Awards levels the playing field, so all artists have an equal opportunity,” explains Thom Bierdz, president of Art Collectors Choice Awards, World Art Awards and American Art Awards. “This is why we only send the voting collectors the artwork images, titles, sizes and mediums used. No photos of the artists or bios are allowed. It’s all about initial impact. However, if a collector is so enamored with a piece, they are free to click on the artist’s web site link and contact them for any reason.”
